Shihanouk Ville Beach – Southern Cambodia: Shihanouk Ville is located 230km in the south-west of the capital city, Phnom Penh. It is a charming fishing port with four beautiful pristine beaches lapped by the translucent water of the gulf of Siam. Visitors can enjoy nearby the Kbarl Chay waterfall, the Bokor hills and the Ream national parks with its stretches of coast and mangrove forests. Offshore uninhabited islands offer excellent snorkeling.

Lang Co Beach – Centre Coast Vietnam

Lang Co sports a beautiful beach with white sand, clear water and shady palm trees. Best time to visit is from April to the end of July. During the winter months it can be too chilly for sun bathing.

Lang Co is on the Hanoi to Ho Chi Minh City line so the train is a convenient way to get there. Only regular trains stop at Lang Co, the nearest stop for express trains is Danang. You can also arrive by road from either Danang 35km to the south or Hue which is about 60km to the north.

Nha Trang Beach – Centre Coast Vietnam

The south central coast has finest beaches and the best-known beach resort is Nha Trang with its white sandy beach and swaying palm trees.

A boat trip on the clear blue-green waters of Nha Trang Bay with some snorkeling among the coral reefs and a fresh seafood lunch is a great way to spend a day in Nha Trang. For scuba divers there are several diving shops along the beach offering professional dive services.

Away from the beach Nha Trang has some other interesting attractions including Long Son Pagoda, with its enormous seated white Buddha statue, and the 7th century Po Nagar Cham Towers.

Phan Thiet – Mui Ne Beach – Centre Coast Vietnam

Further south, and just 200km north of Ho Chi Minh City, is the small fishing town of Phan Thiet. While Phan Thiet is a pleasant enough town, the real attraction is the nearby Mui Ne Peninsula and its 10km of sandy beaches and coconut groves. Many attractive small-scale beach resorts have opened up in recent years amongst the palm trees of Mui Ne and it has become a popular place to rest up for a few days.

Phu Quoc Island – Vietnam

A mountainous island that is still mostly forested, Phu Quoc is blessed with some beautiful white sandy beaches and clear blue seas.

The island is famous throughout for the production of black pepper and its fish sauce, said to be the best in the country. Several small-scale beach resorts have opened over the past few years on Phu Quoc and it is connected by a daily flight to Ho Chi Minh City.
